

SERVICING & INSTALLATION ENGINEER

OVERVIEW

Due to continued expansion, Star GB requires an experienced Servicing & Installation Engineer to join our customer support team.

Reporting to the Service Manager the role will include the installation and servicing of our range of sliding head lathes, barfeeds and ancillary equipment.

The candidate must have strong mechanical knowledge and would ideally have a basic understanding of electrical circuits. An understanding of hydraulic and pneumatic systems would also be an advantage.

Experience with FANUC control systems and working on multi-axis CNC lathes is desirable, however sliding head experience is not essential as extensive product training will be provided.

The candidate must be self-motivated, able to work on their own initiative and within a team when necessary. Effective communication and IT skills are also essential.

The role will include extensive travel throughout the UK and Eire - nights away will be required.

RESPONSIBILITIES

A Servicing & Installation Engineer's responsibilities include:

- Installation of our range of machines and barfeeds
- Machine maintenance and servicing
- Carrying out barfeed alignments
- Replacing parts and consumables as necessary
- Reporting on machine condition and recommending any further service work to be undertaken

BENEFITS

Star GB is committed to investing in the training and progression of our employees whilst rewarding their development and loyalty through a comprehensive bonus and rewards programme.

We offer our engineers various opportunities to further develop their skills and knowledge with ongoing courses and workshops focussed on mechanical, electrical and FANUC control system training.

Roles within our customer support team offer fantastic opportunities for career progression with ongoing succession planning and internal promotions supported.

The successful candidate's remuneration package will include:

- ✦ Competitive basic salary
- ✦ Uncapped bonus scheme
- ✦ Pension
- ✦ Company car
- ✦ Life assurance
- ✦ Private healthcare (+ partner & dependants)
- ✦ Smartphone, laptop and signature pad
